

TRANSITION TEAM

CORNERSTONE COMMUNITY CHURCH
GREELEY, COLORADO

APRIL 18, 2018

We are eagerly awaiting the results of the congregational survey completed in March. The initial report is due out May 7. Representatives from Vital Church Ministries will explain the results via Skype to Staff, Session, and the Transition Team on May 15. That will give us just a few days to digest the essence of the results before we present a summary at the Congregational Forum on Sunday, May 20.

Updates will also be shared from Session's April 28 brainstorming/discernment time regarding Donny's future role and search team decisions. Time will be allowed for questions from you. Please think of some! Plans to allow ongoing congregational participation with the survey results are in the works. Our goal is for this to happen throughout the summer, with details to be worked out.

Hasn't it been wonderful to see the liveliness and joy returning to Cornerstone? We're so grateful for Don and Mary's presence and Don's leadership. What a blessing that has been. We also give unending thanks for the gift of Donny, Linda, Marvin and Ramona, who have carried us through years of transition. We know you all love them, but give them another hug, flowers, cash, new cars, or a new yacht if it's in your budget! Thank you, God, for your amazing provision to us!

As church life has begun to flourish again, the tasks of the Transition Team are winding down. We'll meet one more time in May and then turn over remaining responsibilities to the Session. We're grateful we could play a part in steadying the ship and guiding Cornerstone forward. We've been blessed by the experience, and have grown. Thanks to God for being so faithful to us as a team and to Cornerstone! Remember to pray for the Elders as they move forward. There's a lot of work to do!
