

Dear Cornerstone Family,

As we join together with family and friends during this season of thanksgiving, we would like to remind you to talk with your family about creating your legacy with the Cornerstone Church Foundation. The Foundation's mission is to help you express your thankfulness in creative ways.

You can make the decision to give many years down the road through your estate plan, or you can make a gift that will earn income for you before being given to a ministry. Gifts like these require a very intentional decision because you are choosing to fund the ministry of tomorrow, not just today.

The Foundation has information posted on our church website, csgreeley.org. You can visit the site by through the Giving Tab at the top of the page. We have also added a Donation Form that you can copy and submit to the church business office. This form helps to direct the funds to be placed in the proper area that you desire.

If you have questions or need help in making decisions, please contact a board member as we would be glad to help you.

Together in Christ,

Blessings,

Linda McSwain
