The Cornerstone Search Team would like to thank the congregation and staff for their support and prayers over the last couple to months. We feel GOD's presence and that the Holy Spirit is walking with us as we have begun to read and respond to the Pastor information Forms (PIF's) we have been receiving.

We've reached out to 27 trusted partners for referrals; and posted the job description and church information on seven online sites -- Cornerstone, EPC, Denver Seminary, Dallas Theological Seminary, Reformed Theological Seminary, Christian Reformed Church Network, and Fuller Theological Seminary

To date, we have had close to 20 potential candidates show interest and send in resumes and/or a PIF. We have read, discussed, and prayed over them. Last week we sent three candidates follow-up written questions and received their responses over the weekend. After Holy Week will have the first phone interviews with two of these three candidates. The other we determined was not a good fit for Cornerstone.

We expect that we will continue to receive resumes and PIFs and will review them as they come in. However, we don't want to delay further engagement with those we feel GOD might be calling to Cornerstone out of respect for their earnest pursuit of this call and our continued interest in their candidacy. We could potentially have additional phone interviews with these two candidates and others that might surface over the coming weeks.
